The Chairman/ Principal/ Head of Institution
Engineering College

INDIAN NAVY
UNIVERSITY ENTRY SCHEME (UES) - JUN 2020.

Dear Sir/ Madam,

1. Reaching out to the youth of our country to appraise them about their Indian Navy and enlighten them about various adventures, challenges and job opportunities awaiting them in this fine service has always been in our focus area. It is with this intention in mind that I am glad to reach out to the engineering students of the final year of your College/ Institution through you.
2. You will be glad to know that a sizeable percentage of engineering students serve the Motherland through this fine service and take up a career opportunity into the Indian Navy through University Entry Scheme (UES). It is also worth a mention here that this is the only scheme where candidates are shortlisted for SSB Interviews through campus Interview without any written test and the students selected by SSBs are entitled to a stipend while they are still in their College.
3. The campaign for UES-Jun-2020 for induction in the Indian Navy has commenced with the release of the advertisement in leading dailies, employment news and Indian Navy's website www.joinindiannavy.gov.in on 07 Jun 19.

4. A brief summary of the timelines is as follows:-

07 & 08 Jun 19	- Advertisement in leading newspapers, Employment news and Naval website
07 Jun 19	- Commencement of Online Applications
27 Jun 19	- Last date of Online Applications
Aug 19 -Nov 19 (on mutually convenient dates)	- Campus Interviews (CI) (Based on the number of applications received from Colleges)

Note: - 'On the Spot Registration' during the Campus Interview, **IS STRICTLY NOT PERMITTED**

5. May I request you to disseminate the above information to all the students of your college in general, and final year/ 07th- 8th Semester students in particular through suitable means so as to provide them with the information about this golden opportunity coming their way while they still are in the studying phase of their life.

6. Should there be any clarifications required, the same can be sought from the Indian Navy's website www.joinindiannavy.gov.in

With warm regards,

(Rakesh Mattas),
Captain (Indian Navy)
