Subject: Completion of Website and Portal Project for PVPIT

I hope this letter finds you well. We are pleased to announce the successful completion of the website and portal project for PVPIT. It has been a privilege to work with you on this endeavor, and we are excited to present the final deliverables.

Below is a summary of the project's key features along with the authorized person assigned for each module:

Module	Description	Department
Student Enquiry Module	To Manage new admission enquiry	Departmental Access
Admission Module	Manages student admissions process	Office
Accounts Module	Handles financial transactions and records	Account Section
Cashier Module	Fee Collection and reports	Cash Section
Bonafide Module	Generates bonafide certificates for students	Student Section
Transfer Certificate Module	Manages student transfer certificates	Student Section
ID Card Printing Module	Facilitates printing of student ID cards	Student Section
Fees Module	Manages student fee records and payments	Student Section
Continuity Module	Tracks student academic continuity	Student Section
Student Login Module	Provides students with access to the portal	Students
CMS Website	Content Management System for website	IT Team
Department Module	Manages various departments within the institution	Rs Departmental-Access
Scholarship Student Report	To View admission report	Scholarship Section

We have ensured that each module is designed to meet your specific requirements and enhance the efficiency of your operations.

Furthermore, I would like to assure you that comprehensive demonstrations and training sessions have been provided to the respective departments and designated personnel to ensure smooth operation and utilization of the application. We are confident that your staff is well-equipped to leverage the system effectively to streamline your institution's processes.

Beyond Imagination with virtualisation

Conti...

It is also worth noting that the system has been in active use for the past four years, demonstrating its reliability and suitability for your institution's needs.

Once again, thank you for the opportunity to collaborate on this project. We remain at your service for any future assistance or enhancements you may require.

Additionally, we kindly request the completion of the balance payment for the project. Attached herewith is the invoice detailing the remaining amount. Your prompt attention to this matter would be greatly appreciated and will enable us to finalize our engagement smoothly.

Should you have any questions, feedback, or further requirements, please do not hesitate to reach out to us. We value our partnership with PVPIT and are committed to your continued satisfaction.

Thank you for entrusting us with this project. We look forward to any future collaboration.

Sincerely,
Akash Koli
