### ALUMNI MEET REPORT

The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal. The idea took shape and formation of Alumni Association turned into reality. It was a pleasure to see alumni gather together in such a big number coming from different parts of the World. The day was filled with chirping voices from you all recalling the memories of your good old memorable days. It was an agglomeration of alumni from diverse background and was blessing for the students, faculty, and staff looking at your current position and working status.
