- **Sports Activities (2021-22)**

We have well established and well facilitated gymkhana for students of our Institute. Gymkhana department inspires students for playing out-door games such as Cricket, Foot-ball, Hockey, Basket-ball, Lawn-tennis, Athletics, Kabaddi, Kho-kho, Volley-ball, Rowing etc as well as In-door games viz. Chess, Carom, Badminton, Table-tennis, Weight-lifting, Judo, Teaquando, Wrestling, etc. The sports develop discipline, the spirit of sportsmanship and inculcate the qualities of team spirit and leadership among the students. PVPIT, BUDHGAON held annual sports from 27th may to 29th May, 2022. The sports calendar this year was once again full with a wide range of sports opportunities available to our students. It was one of the largest co-curricular activities that offered an extensive opportunity to all the students of college. The sports day inaugurated by the chief guest **Hon .Harshvardhan Pratikdada Patil**

- **Special Achievements**

1. **Incubation centre:** Business Incubation Center is established at PVPIT under Support for entrepreneurial and managerial Development of MSME through Incubators scheme of Ministry of Micro Small and Medium Enterprises (MSME). The center aims in developing startup ecosystem for creative students to innovate solutions for societal problems in various fields through startups.

The MSME provides fund upto Rs. 15 lakhs for students to transform the innovative idea into marketable products and further provide seed funding for startup up to Rs. 1 crore. The institute is developing the manufacturing facility for the incubation center with support of Rs 1 crore from MSME. This activity is coordinated by Dr. S.S.Kularni from mechanical department.

2. **Baja SAE**

It is a Collegiate Design Series competition run by the Society of Automotive Engineers International (SAE International). Teams of students from universities all over the world design and build small off-road cars. The cars all have engines of the same specifications. The goal in Baja SAE racing is to design, build and race off-road vehicles that can withstand the harshest elements of rough terrain. The vehicles used in Baja SAE racing are often similar in appearance to dune buggies.

This year team Rivals 25 had participated for the 1st time and has got into the top 120 teams out of 450 international and national teams for second
